# Jesus' Final Week

On Sunday, the first day of Jesus' final week, He rode into Jerusalem on a donkey. The people spread coats and palm branches in His path and shouted "Hosanna." (You can read about that day in Matthew 21:1-11.)

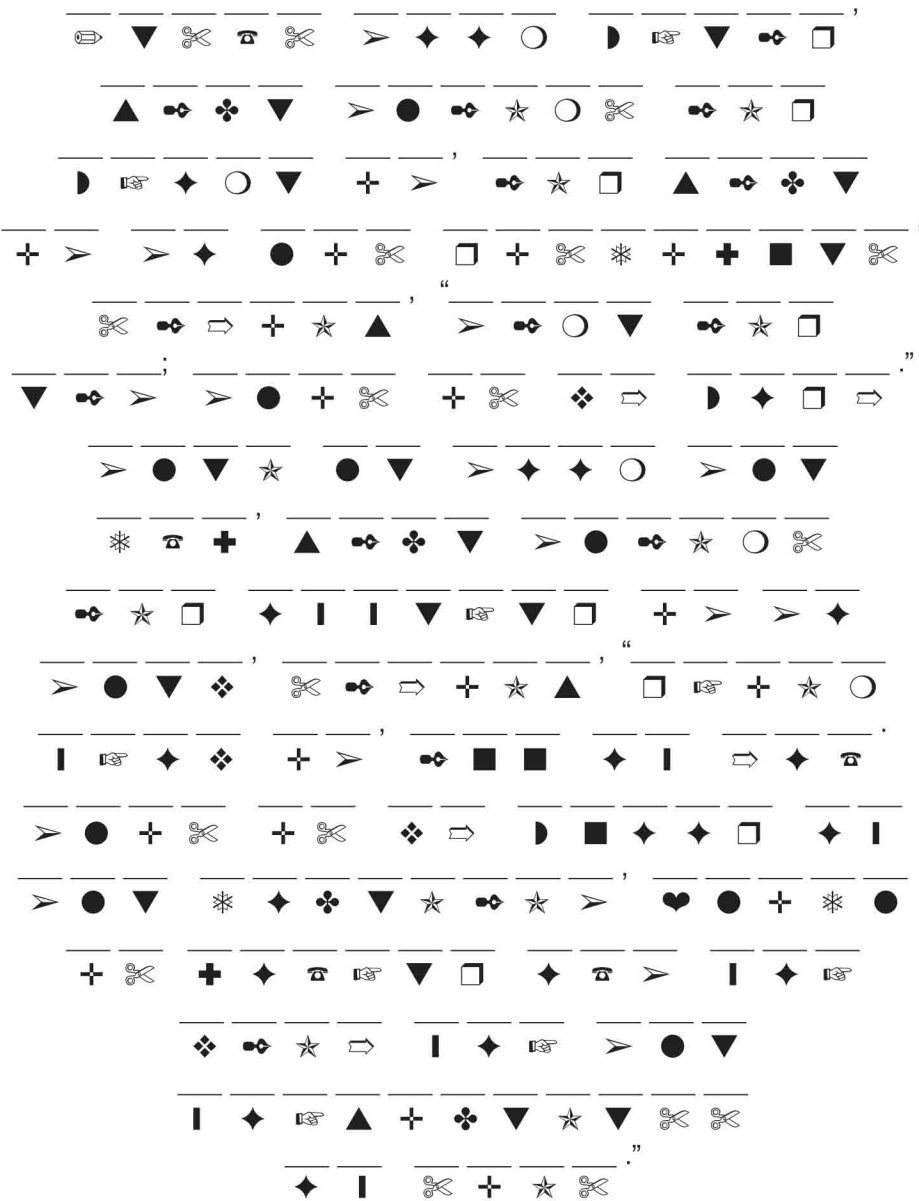

What else did they say? Find Jesus' path into Jerusalem and read the text.

On Thursday, Jesus had a last meal with His disciples. What happened there?

Use the code to find out more.

Later that evening, Jesus went to the garden called Gethsemane to pray. Soldiers came. What happened?

Connect the dots and read the text along the way.
