However, people were doing good deeds with the wrong motives.

Supply letters to name the units of measurement. Then use the letters to find what the people were doing.

<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	half of a quart	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	12 of these make a foot	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	3 of these make a yard	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	5280 feet or 1.60934 kilometers	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	.035 ounce	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	4840 square feet	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	a nautical mile	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	60 of these make a minute (time)	
<u> </u> <u> </u> <u> </u> <u> </u> <u> </u>	=	16 of these make a pound	

Don't make a show of good deeds.

Write the past tense of the verbs. For example, found is the past tense of find. Then use the code to find a better motive for doing good works.

When giving, they to be honored by others.

When praying they to be seen by others. When fasting, they to show others.
