WELCOME

Welcome to today's service. There have been so many things happening this week. Just when everyone has been able to finally get out, then now there are protests and riots in the streets of many big cities. In fact, I sent a text out to let you know that there is a protest in the Montrose and Westheimer area and I'm sure the traffic will be bad. There might be others in other neighborhoods also. With all of these things happening around us, it is hard to know what to do. One thing we can do in times like these it to have faith in God. We are about to read from the Bible, chapters that talk about faith and how others have trusted God through similar times of uncertainty. Today, our total message will be from the Scripture, reading from Hebrews chapters 11-13 and Ephesians 6.

OPENING PRAYER

Dear Lord,

Thank you for bringing us back so that we can worship you. Help us to hear your words to us and help us to understand the love you have for us and care for us and how you are accomplishing your will on earth. Show us how we can live faithful lives like those who we are about to read about. Thank you, Lord. Amen

CLOSING

May we be encouraged as we have read about those who lived lives of faith even though they were not able to see the results of their faith. We are blessed that we can know that we can trust God because he created us, He loves us, and He continues to care for us into Eternity. He has loved us so much that He gave us His only Begotten Son, Jesus, so that we might have forgiveness of sin and have an everlasting hope. He gave us each other, the Church, so that we could journey together and work together and encourage each other.

So let us remember:

Have faith in Humanity

Have faith in Yourself

Have faith in God

This will be a Great Awakening!
